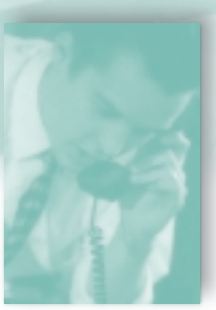
PLAIN PAPER LASER FAX



Improving Upon Excellence

SHARP

FO-5550 FACSIMILE

Efficiency to Finish the Job Faster.

Sharp has designed the new FO-5550 to move your office to new heights of productivity. Like our entire fax line up, the FO-5550 Plain Paper Laser Fax offers Sharp's award-winning reliability and performance. The time-saving FO-5550 offers great value with features including a fast scan speed, quicker print speed, better resolution, and large paper capacity. Innovative features include a convenient fax separator which automatically inserts colored sheets between incoming faxes, and easy to use color-coded supplies to maintain optimal uptime.

The Sharp FO-5550 demonstrates Sharp's commitment to improving people's lives through technology and innovation. Easy to maintain, program and use, the FO-5550 delivers true efficiency. With a fax machine that's designed to let you focus on other business, your office will thrive on the added productivity.

Stay ahead of schedule with fast-moving features

High-Speed Communications

- 2-second scan speed quickens large document transmissions
- Quick 8 ppm print speed
- 14.4 Kbps modem transmits faxes at a fast 6 seconds per page*

Automatic Dialing Ease with Quick Dial Access

- 48 one-touch rapid dial numbers
- 75 coded speed dial numbers

Expandable Memory

- Standard 1MB memory (approximately 60 pages)
- Memory expandable to 2MB to store up to 120 pages

Superior Quality

- Crisp, laser quality with 600 dpi output (with the optional print driver)
- Plain paper convenience lets users quickly file, mark or re-transmit received documents
- 64 halftone levels
- Choice of normal, photo or fine modes produce accurate, clear transmissions

750-Sheet Paper Capacity Handles Bigger Volume

- 750 sheets standard with letter/legal adjustable 250-sheet paper tray and standard 500-sheet letter paper tray
- Standard 50-sheet automatic document feeder

Innovative Fax Separator Feature

- Standard fax separator inserts colored sheets between incoming faxes for ease of distribution
- Eliminates multiple faxes being incorrectly delivered to top recipient

Ideal for higher volume needs, the FO-5550 has a 750-sheet standard paper capacity.

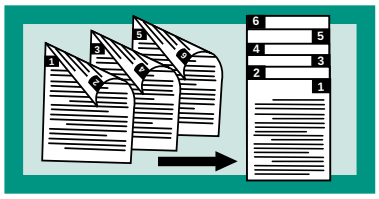
Productivity Has Never Been This Easy

Optional Laser Printing

- The optional print driver transforms the FO-5550 into a 600 dpi laser printer and even offers animated directions for changing toner and supplies.

Duplex Scanning For True Efficiency

- Standard duplex scanning lets users quickly and efficiently send two-sided documents–without a trip to the copier to copy each side first. The FO-5550 scans both sides and then sends them in the proper order.



Easy Operation

- Supply replacement is quick and easy with color-coded supplies
- Functions are easy to program
- User-friendly control panel is simple to operate

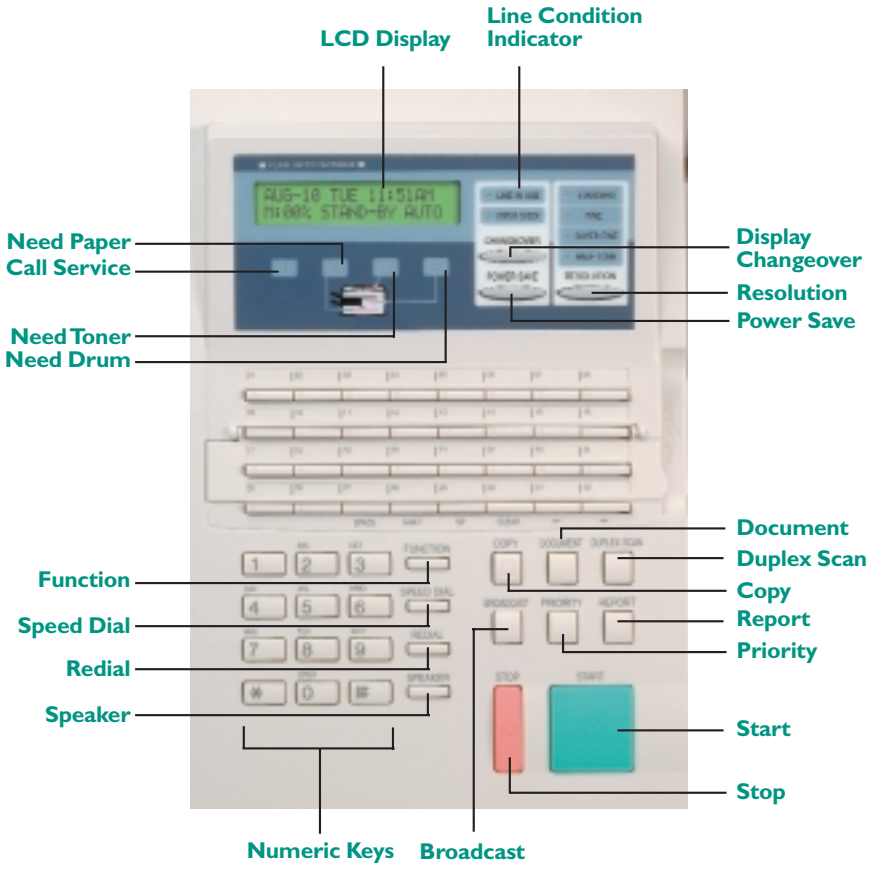
F.A.S.T.

(*Facsimile Automated Service Technology*)

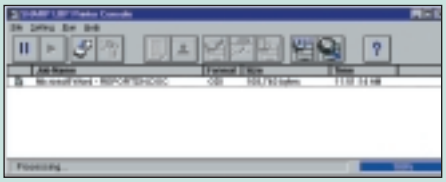
- Sharp's proprietary remote fax management system automatically connects the FO-5550 to your authorized Sharp dealer to alert for low supplies, and even enables technicians to program functions or diagnose and solve problems right over the fax line.

Easy-To-Follow Control Panel

provides quick access to efficient features



Transform the FO-5550 into a connected laser printer with the optional print driver and software.



The optional print driver on the FO-5550 has user friendly screens that allow a wide range of options and information.

Besides showing the status of the FO-5550, the print driver software provides animated instructions for everything from adding paper to changing toner and drum cartridges!
